## **Project Catalyst Calendar PHOTO COMPETITION 'Connected by Water'**

*Water is fundamental to sustaining all life! Our survival depends on it - we grow crops, enjoy swimming, fishing, boating, diving, snorkelling, and capturing those moments.*

*We want to share your connection to water in a calendar, so submit your favourite images and they could be featured!*

*Entry details: Email your name, phone number and image in highest resolution with a brief description to Kim.  
**TERMS AND CONDITIONS***

*The competition is open to all Project Catalyst growers and service providers.*

*Images must represent waterways in the Project Catalyst regions (between Mossman in the north, and the Mackay Whitsunday catchments in the south and west of the coasts).*

*'Waterways' includes freshwater, estuarine and marine waters.*

*By submitting an entry you authorise Project Catalyst to use the entry image/s in future publications, without remuneration. This includes, but is not limited to, social media, websites, and digital and print publications.*

*Photos used by Project Catalyst will acknowledge the photographer.*

*Only one image may be entered per person.*

*All photos must be submitted by*

*5pm, 30 September 2023.*

*By submitting an entry you confirm that:*

*The work is your own.*

*Images do not violate or infringe on anyone else's rights, and are not in violation of any law.*

*Images have not caused damage to the environment by the photographer, and the image has not been taken in areas where human presence is restricted by authorities or relevant property managers.*

*If your submission has people in it, you have written permission for our usage requirements from the person depicted, can provide a copy of this permission if requested.*

*Photos have not been digitally altered beyond standard optimisation (cropping, spotting for dust, reasonable adjustmentst o exposure, color and contrast, etc.*
